Ricky sent me his reply to FCR-09 last week but i did not pass them along. I can't access them via smart phone.... I will reach out to him and have him forward them to Amy once he gets in (usually after 9).

Hi Amy,

I could not find a response to the review of FCR-09. If possible, can you follow-up on the review of FCR-09?

Thanks,

Tanya

Attached is a FCR to identify the next round of MWs to be sampled in Phase 2 of the November Data Gaps SAP.
Please review and let me know if you have any concerns by Monday.
Thanks,
